The Eastern Dahlia King

EAST BRIDGEWATER

MASSACHUSETTS

## THE EASTERN DAHLIA KING,

Won the SILVER MEDAL at St. Louis in 1904.

I grew over 4,000,000 plants of the Dahlia last season and will have over 16,000,000 bulbs to sell this coming season. I furnished the stock for the St. Louis Purchase Exposition in 1904, also supplied the Boston Public Gardens with the large lot they grew on the Public Gardens. I take this opportunity of thanking my many friends and patrons who have recommended and favored me with their orders in the past, and to express gratification that my determination to furnish none but the best stock is so widely recognized.

If you are looking for UP-TO-DATE DAHLIAS, do not hesitate to place your order in the hands of a firm who has been doing business for seventeen years and will guarantee you good satisfaction for your money. My stock is true to name, heavy separated clumps, with one or two eyes on a cut, and fit for any trade. If customers wish us to pack and label their orders for the retailer, we will furnish labels and pack same for 50 cts. per 100 extra packed in special cartons.

I make a specialty of recommending Lists for Florists, Seedsmen and Nurserymen. If you are to Catalogue any stock from this list, kindly consult us before doing so, as it quite often happens my stock is limited on some kinds. I can supply large field clumps for forcing on many kinds. Send for prices.
